

Dear Friends,

RS50-Collective is not a sorority—it is a vibrant, dynamic community of mature women who believe that life after 50 can be full of energy, connection, and purpose. We are a collective of like-minded women who have found their true authentic selves on the **left side of 50 or on the right side of 50** seeking meaningful friendships, empowering experiences, and opportunities to grow together socially, intellectually, and spiritually.

Our gatherings are designed to uplift, educate, and inspire. From engaging workshops and wellness circles to fun social events, each meeting provides a space for women to share their stories, celebrate their achievements, and embrace their continued journey of growth. Every interaction is rooted in encouragement, empowerment, and the joy of connecting with others who share the same values.

While friendship and enrichment are at the heart of RS50-Collective, our main mission is to give back. We are committed to making a tangible difference in the lives of those less fortunate. Through scholarships, clothing drives, and resource donations, we strive to create opportunities and provide support to women, men, and children in need. Every act of service reflects our belief that lifting others as we rise is both a privilege and a responsibility.

RS50-Collective is a space for women who are vibrant, fun-loving, and socially engaged, yet deeply committed to making a positive impact. Our collective is about connection, growth, and giving—where every member contributes to a stronger, more compassionate community. We invite you to join us in this journey of empowerment, joy, and meaningful service.

With warmth and purpose,

*S. Goodwin*
